

Dear Sponsor,

On behalf of the General Chairs, Marius George Linguraru and Enrico Grisan, and the Program Chairs, Maria Ledesma Carbayo and Miguel A. Gonzalez Ballester, we would like to ask your kind consideration for support of the upcoming **IEEE International Symposium on Biomedical Imaging 2019** (<https://biomedicalimaging.org/2019>) with a sponsorship. ISBI is a premier peer-reviewed conference on biomedical imaging covering of the full spectrum of imaging modalities. In 2019, ISBI will take place from **April 8<sup>th</sup> to 11<sup>th</sup> in Venice, Italy**.

Your support will be extremely valuable. The gracious support from ISBI sponsors enables ISBI to provide reduced registration fees, offer free coffee breaks and a free welcome reception, invite world leaders to give keynote presentations or participate in special-topic sessions, and provide student best-paper awards and travel grants. We need your help to achieve this.

ISBI is IEEE's flagship conference on medical and biological imaging, with a large scope that covers image acquisition, formation, and processing. Each year, it attracts about 800 researchers from academia, clinics and hospitals, as well as industrial R&D departments, giving an excellent publicity opportunity for its sponsors. Top leaders from the whole world are regular attendees, as illustrated by the composition of the organizing committee. These leaders are regularly consulted by their home institutions (e.g. a university hospital or medical center) for purchasing of new equipment.

ISBI 2019 will emphasize clinical translation of biomedical imaging into healthcare applications through a special day-long session called "Clinical Day" to attract an increasing number of clinicians to ISBI and nurture multi-disciplinary interactions between clinicians and imaging scientists. The Clinical Day will offer educational credits to attendants and will feature prominent clinician-speakers.

ISBI is also the leading conference where novel and emerging bio-imaging modalities at all scales are introduced to image analysis and quantification. Examples include special sessions that were organized in recent editions of ISBI on the following topics: photoacoustic and optoacoustic tomography, single molecule microscopy, super-resolution and compressed-sensing MRI, low-radiation and phase X-ray imaging, computer-aided histopathology, ultrafast ultrasound, and non-invasive bioelectric imaging.

The conference provides a terrific opportunity to get young researchers interested in your company and discuss future career opportunities. Please let us know if you would like to discuss specific opportunities with us, including demos, career fairs and networking, social or other special events. We can channel your donation to student travel grants and other student activities if you prefer. In addition, ISBI awards several best student paper awards; sponsorship of awards will be recognized during the conference, and we will invite the sponsor to present the award.

# ISBI 2019

ISBI 2019 will also feature a stellar list of speakers, world leaders in biomedical imaging and clinical applications. Our pre-confirmed speakers include:

- Prof. Monique M.B. Breteler: Director of Population Health Sciences, German Center for Neurodegenerative Diseases, Professor of Population Health Sciences at the University of Bonn, and Adjunct Professor of Epidemiology at the Harvard School of Public Health, USA.
- Prof. Andres Lozano: Chair of Neurosurgery at the University of Toronto, Canada, Founding Member of the scientific advisory board of the Michael J. Fox Foundation.
- Prof. Satyajit Mayor : Director of the National Centre for Biological Sciences, and Director of the Institute for Stem Cell Biology and Regenerative Medicine at Bangalore, India.
- Dr. Stephan Saalfeld: Principal Investigator and Group Leader at the Janelia Research Campus, Howard Hughes Medical Institute, USA.
- Prof. Jeanette Shulz-Menger: President of the Society for Cardiovascular Magnetic Resonance, Head of the Working Group Cardiac Magnetic Resonance at Charité Campus Buch, Berlin, Germany.

Please let us know if your organization is interested in supporting the travel of our speakers or if you are interested in other opportunities for sponsored talks and/or sessions or panel discussions with clinical and scientific leaders.

Sponsors are acknowledged in the conference program book (distributed to all attendees) and on the website where sponsors' logos will appear as soon as the support is confirmed and listed with respect to the donation amounts and sign-up dates.

To become a sponsor of ISBI'19, please respond to us indicating:

- Your donation level (effective payment can happen closer to the conference)
- The logo (and URL) you would like us to print on the program book and on the website.

We have the following levels of corporate sponsorship for you to consider:

## **Platinum (\$8,000+ USD)**

- 4 complimentary registrations
- 1 table top display
- Company logo with a link to Company website on ISBI'19 website
- Company name on Student Paper Competition Awards (three best student paper awards)
- Full page Company listing in ISBI'19 program
- Special recognition during welcome reception and other ceremonies

# INFORMATION FOR EXHIBITORS & SPONSORS

---

## **Gold (\$5000+ USD)**

- 3 complimentary registrations
- 1 table top display
- Company logo with a link to Company website on ISBI'19 website
- 1/2 page Company listing in ISBI'19 program book
- Special recognition during welcome reception and other ceremonies

## **Silver (\$3,000+ USD)**

- 2 complimentary registrations
- 1 table top display
- 1/4 page listing in ISBI'19 program book
- Company Logo with a link to Company website on ISBI'19 website

## **Basic (\$2,000+ USD - Technical Industry Sponsorship)**

- 1 complimentary registration
- Company logo listed in ISBI'19 program book
- Company Logo with a link to Company website on ISBI'19 website

## **Individual Contributors (\$500+ USD)**

- Company Logo only on ISBI'19 website

We can tailor sponsorship options based on your request, and we will be available to answer any questions that you may have. We thank you for the support of ISBI 2019 and look forward to seeing you in 2019 in Venice.

Sincerely yours,

for the ISBI'19 Industrial Liaisons Committee Dirk Padfield  
and Jens Rittscher [ISBISponsorship@gmail.com](mailto:ISBISponsorship@gmail.com)
